

Invitaciones recibidas para desarrollar charlas en conferencias y centros de I+D internacionales

13/12/2006

Will Sensing Technology be a good Photonic area for R&D in the near future?

José Miguel López-Higuera

Photonics 2006, Hyderabad, India.

24/11/2006

Photonics Sensing Technologies in the University of Cantabria

José Miguel López-Higuera

ICFO (Instituto de Ciencias Fotónicas), Barcelona, Spain.

18/10/2006

Recent R&D&I results of Photonics Engineering Group of the University of Cantabria

J.M. López-Higuera

Conferencia Invitada - University of Johannesburg, South Africa.

12/10/2006

Select R&D results of PEG-UC and trends of photonics sensing technology

J.M. López-Higuera; A. Cobo, O.M. Conde, M. Lomer, F.J. Madruga, M. Quintela, A. Quintela, D.A. González, J.M. Mirapeix, P.B. García-Allende

OPERA 2015, Wroclaw, Polonia.

10/03/2006

Photonic Sensing Technologies: Successful Techniques and Trends

José Miguel López-Higuera

10 Años del Instituto de Física Aplicada (CSIC), Madrid, Spain
