All the activities included in Optoel'11, apart from the welcome reception and the guided tour, will be held in [Hotel Santemar](#) (Santander), which will offer a special accommodation price for both attendants and accompanying persons.

Hotel Santemar is the biggest 4-star hotel in the north of Spain. Its capacity both in bedrooms and conference rooms, makes it the ideal place to hold any kind of convention in Santander, meetings, exhibitions or any other type of event.

The Hotel Santemar, is located in the heart of “Sardinero”, very close to the beach that carries the same name, the Palace of Magdalena and the Casino with a wide variety of possibilities that allow you to enjoy the North with a tailor made visit.

The welcome reception will take place in the “Palacio de la Magdalena” that was the summer residence of the Royal House and, nowadays, is the venue for the summer activities of UIMP (Universidad Internacional Menéndez Pelayo).

By means of the guided tour, which will be organized before the Gala Dinner, it will be possible to enjoy the beauty of the Bay of Santander from the sea.
